

CETN2 抗原(重组蛋白)

- 中文名称: CETN2 抗原(重组蛋白)
- 英文名称: CETN2 Antigen (Recombinant Protein)
- 别名: centrin 2; CALT; CEN2
- 储存: 冷冻(-20℃)
- 相关类别: 抗原

概述

Fusion protein corresponding to a region derived from 2-172 amino acids of human CETN2

技术规格

Full name:	centrin 2
Synonyms:	CALT; CEN2
Swissprot:	P41208
Gene Accession:	BC005334
Purity:	>85%, as determined by Coomassie blue stained SDS-PAGE
Expression system:	Escherichia coli
Tags:	His tag C-Terminus, GST tag N-Terminus
Background:	Caltractin belongs to a family of calcium-binding proteins and is a s tructural component of the centrosome. The high level of conservati on from algae to humans and its association with the centrosome s uggested that caltractin plays a fundamental role in the structure an d function of the microtubule-organizing center, possibly required fo r the proper duplication and segregation of the centrosome.
